NEW SUBSECTION. 1A. "Labor" means labor completed by the claimant.

Sec. 2. Section 572.1, subsections 2, 3, and 5, Code 2007, are amended to read as follows:

2. "Material" shall, in addition to its ordinary meaning, include machinery, tools, fixtures, trees, evergreens, vines, plants, shrubs, tubers, bulbs, hedges, bushes, sod, soil, dirt, mulch, peat, fertilizer, fence wire, fence material, fence posts, tile, and the use of forms, accessories, and equipment furnished by the claimant.

3. "Owner" ~~shall include~~ means the record titleholder and every person for whose use or benefit any building, erection, or other improvement is made, having the capacity to contract, including guardians.

5. "Subcontractor" shall include every person furnishing material or performing labor upon any building, erection, or other improvement, except those having contracts ~~therefor~~ directly with the owner, ~~the owner's agent, or trustee.~~

Sec. 3. Section 572.2, Code 2007, is amended to read as follows:

572.2 PERSONS ENTITLED TO LIEN.

1. Every person who shall furnish any material or labor for, or perform any labor upon, any building or land for improvement, alteration, or repair thereof, including those engaged in the construction or repair of any work of internal or external improvement, and those engaged in grading, sodding, installing nursery stock, landscaping, sidewalk building, fencing on any land or lot, by virtue of any contract with the owner, ~~the owner's agent, trustee,~~ contractor, or subcontractor shall have a lien upon such building or improvement, and land belonging to the owner on which the same is situated or upon the land or lot so graded, landscaped, fenced, or otherwise improved, altered, or repaired, to secure payment for the material or labor furnished or labor performed.

2. If material is rented by a person to the owner, ~~the owner's agent, trustee,~~ contractor, or subcontractor, the person shall have a lien upon such building, improvement, or land to secure payment for the material rental. The lien is for the reasonable rental value during the period of actual use of the material and any reasonable periods of nonuse of the material taken into account in the rental agreement. The delivery of material to such building, improvement, or land, whether or not delivery is made by the person, creates a presumption that the material was used in the course of alteration, construction, or repair of the building, improvement, or land. However, this presumption shall not pertain to recoveries sought under a surety bond.

Sec. 4. Section 572.8, Code 2007, is amended to read as follows:

572.8 PERFECTION OF LIEN.

A person shall perfect a mechanic's lien by filing with the clerk of the district court of the county in which the building, land, or improvement to be charged with the lien is situated a verified statement of account of the demand due the person, after allowing all credits, setting forth:

1. The ~~time date~~ when such material was first furnished or labor first performed, and ~~when completed the date on which~~ the last of the material was furnished or the last of the labor was performed.

2. The ~~correct legal~~ description of the property to be charged with the lien.

3. The name and last known mailing address of the owner, ~~agent, or trustee~~ of the property.

3 4 Upon the filing of the lien, the clerk of court shall mail
3 5 a copy of the lien to the owner, ~~agent, or trustee~~. If the
3 6 statement of the lien consists of more than one page, the
3 7 clerk may omit such pages as consist solely of an accounting
3 8 of the material furnished or labor performed. In this case,
3 9 the clerk shall attach a notification that pages of accounting
3 10 were omitted and may be inspected in the clerk's office.
3 11 Sec. 5. Section 572.9, Code 2007, is amended to read as
3 12 follows:

3 15 be filed by a principal contractor or subcontractor within two
3 16 years and ninety days from after the date on which the last of
3 17 the material was furnished or the last of the labor was
3 18 performed. ~~A failure to file the statement or account within~~
3 19 ~~the ninety-day period does not defeat the lien, except as~~
3 20 ~~otherwise provided in this chapter.~~
3 21 Sec. 6. Section 572.10, Code 2007, is amended to read as
3 22 follows:

3 30 the clerk of the district court and giving written notice
3 31 thereof to the owner, ~~the owner's agent, or trustee~~. Such
3 32 notice may be served by any person in the manner original
3 33 notices are required to be served. If the party to be served,
3 34 ~~the party's agent, or trustee~~, is out of the county wherein
3 35 the property is situated, a return of that fact by the person
4 1 charged with making such service shall constitute sufficient
4 2 service from and after the time it was filed with the clerk of
4 3 the district court.
4 4 Sec. 7. Section 572.11, Code 2007, is amended to read as
4 5 follows:
4 6 572.11 EXTENT OF LIEN FILED AFTER NINETY DAYS.

4 9 ~~as hereinafter provided~~, only to the extent of the balance due
4 10 from the owner to the contractor at the time of the service of
4 11 such notice; but if the bond was given by the contractor, or
4 12 person contracting with the subcontractor filing the claim for
4 13 a lien, such bond shall be enforced to the full extent of the
4 14 amount found due the subcontractor.
4 15 Sec. 8. Section 572.13, subsection 1, unnumbered paragraph
4 16 1, Code 2007, is amended to read as follows:
4 17 An owner of a building, land, or improvement upon which a
4 18 mechanic's lien of a subcontractor may be filed, is not
4 19 required to pay the original contractor for compensation for
4 20 work done or material furnished for the building, land, or
4 21 improvement until the expiration of ninety days ~~from after~~ the
4 22 completion of the building or improvement unless the original
4 23 contractor furnishes to the owner one of the following:
4 24 Sec. 9. Section 572.13, subsection 2, unnumbered paragraph
4 25 3, Code 2007, is amended to read as follows:
4 26 An original contractor who fails to provide notice under
4 27 this section is not entitled to the lien and remedy provided
4 28 by this chapter ~~as they pertain to any labor performed or~~
4 29 ~~material furnished by a subcontractor not included in the~~
4 30 ~~notice.~~
4 31 Sec. 10. Section 572.14, subsections 1 and 2, Code 2007,

5 2 ~~mechanic's lien within ninety days after the date on which the~~
5 3 ~~last of the materials was furnished or the last of the labor~~
5 4 ~~was performed~~ by a subcontractor, does not relieve the owner
5 5 from liability to the subcontractor for the full value of any
5 6 material furnished or labor performed upon the building, land,
5 7 or improvement if the subcontractor files a lien within ~~the~~
5 8 ~~time provided by law for its filing~~ ninety days after the date
5 9 on which the last of the materials was furnished or the last
5 10 of the labor was performed.
5 11 2. In the case of an owner-occupied dwelling, a mechanic's
5 12 lien perfected under this chapter is enforceable only to the
5 13 extent of the ~~amount~~ balance due the principal contractor by
5 14 the owner-occupant ~~under the contract, less any payments made~~

~~5 15 by the owner-occupant to the principal contractor prior to the~~
5 16 owner-occupant being served with the notice specified in
5 17 subsection 3. This notice may be served by delivering it to
5 18 the owner or the owner's spouse personally, or by mailing it
5 19 to the owner by certified mail with restricted delivery and
5 20 return receipt to the person mailing the notice, or by
5 21 personal service as provided in the rules of civil procedure.
5 22 Sec. 11. Section 572.15, Code 2007, is amended to read as
5 23 follows:

5 24 572.15 DISCHARGE OF SUBCONTRACTOR'S LIEN == BOND.

6 6 subcontractor within ninety days after the date on which the
6 7 last of the material was furnished or the last of the
6 8 claimant's labor was performed shall be preferred superior to
6 9 all other liens which may attach to or upon a building or
6 10 improvement and to the land upon which it is situated, except
6 11 liens of record prior to the time of the original commencement
6 12 of the claimant's work or the claimant's improvements, except
6 13 as provided in subsection 2.

6 14 2. However, construction mortgage liens shall
6 15 be preferred to all mechanics' liens of claimants who

7 10 or situated except as provided in sections 572.10 and 572.11.

7 11 Sec. 14. Section 572.21, Code 2007, is amended to read as

7 23 building or improvement to be sold separately under execution,
7 24 and the purchaser may remove the same in such reasonable time
7 25 as the court may fix. If the court shall find that such

7 27 shall take an account of and ascertain the separate values of
7 28 the land, and the building or improvement, and order the whole
7 29 sold, and distribute the proceeds of such sale so as to secure
7 30 to the prior superior lien, encumbrance, or mortgage priority
7 31 upon the land, and to the mechanic's lien priority upon the
7 32 building or improvement.

7 33 2. LIEN ON EXISTING BUILDING OR IMPROVEMENT FOR REPAIRS OR
7 34 ADDITIONS. If the material furnished or labor performed was

8 2 before such material was furnished or labor performed, and the
8 3 enhanced value caused by such additions, repairs, or
8 4 betterments; and upon the sale of the premises, distribute the
8 5 proceeds of such sale so as to secure to the prior superior
8 6 mortgage or lienholder priority upon the land and
8 7 improvements as they existed prior to the attaching of the
8 8 mechanic's lien, and to the mechanic's lienholder priority
8 9 upon the enhanced value caused by such additions, repairs, or
8 10 betterments. In case the premises do not sell for more than
8 11 sufficient to pay off the prior superior mortgage or other
